

Why drive a Mary Kay Career Car?

The average car loan is four years and the average monthly auto insurance payment is \$70. In that time you may save the following:

Type of Auto	Monthly Payment	Savings
Pontiac Vibe	\$ 300 x 48 months	\$ 17,760
Pontiac Grand Prix	\$ 400 x 48 months	\$ 22,560
Cadillac	\$ 800 x 48 months	\$ 32,160

There are over \$ 120 million in FREE Career Cars being driven by successful Mary Kay consultants and directors. The company also pays 85% of the insurance and also pays for the tax and tags. That means there are thousands of women out there saving thousands of dollars for themselves and their families.
